

NEWS FLASH

SEPTEMBER 2023

We are excited to invite our extended Home from Home family to participate in the upcoming events. At Home from Home, our primary goal is to provide a loving and supportive environment for children in need.

One way we fulfill this mission is through fundraising events that help raise crucial funds for the children in our care. By participating in these events, you directly contribute to their wellbeing and help us in our mission of creating a second chance at family for the most vulnerable children in our communities.

ROYAL PARKS HALF MARATHON

Life happens when you're planning other things

Tanya Townshend has been an enthusiastic runner for 30 years! She is also a passionate fundraiser for Home from Home and trains in the hilly trails of Newlands Forest Constantia with her dog, Pablo.

Running the Royal Parks Half Marathon has been a bucket list item for five years and she was excited to run it on 8th October. Training was going well until she fractured her heel bone and can no longer compete. Although hugely disappointing for her, she views it as a temporary setback. Tanya is able to travel to London in a moon boot. It also gave her a chance to think about our foster children and far greater trauma and setbacks that they have experienced in their lives. It put her injury into perspective. She is more determined than ever to support the Home from Home runners from the sidelines and continue to raise funds towards the educational needs of the nearly 200 foster children in our care.

Help Tanya to raise her goal of R21 000 for Home from Home. Every R100 helps.

The Home from Home Royal Parks Half team consists of 15 runners who are raising funds for our organisation. Mostly young South Africans living and working in London who are eager to give back!
